Voting by Mail

To obtain a vote by mail ballot:

You may request a vote by mail ballot by phone by calling 407.742.6000, by email to soe@voteosceola.com, via our website at www.voteosceola.com or by mail from the Supervisor of Elections, 2509 E. Irlo Bronson Memorial Highway, Kissimmee, FL 34744. Vote by mail ballots may be requested for all elections through the next regularly scheduled General Election. Telephone and written requests are restricted to the voter and or his/her immediate family or legal guardian.

You may designate, in writing, someone else to pick up a Vote by Mail ballot on your behalf. When picking up ballots, the designee must provide a written authorization by the elector and picture identification. In addition, the designee must sign and complete an affidavit swearing he/she has been designated by the elector to pick up the ballot, and he must indicate his relationship, if any, to the elector. The designated person may pick up no more than 2 Vote by Mail ballots per election, except the designee's own ballot, and members of the designee's immediate family. The designee can pick up a Vote by Mail ballot on Election Day or up to five (5) days prior to Election Day ONLY.

To vote by mail:

Vote the ballot carefully, FOLLOWING ALL INSTRUCTIONS, and return it to the Supervisor of Elections office no later than 7:00 PM on Election Day. Prior to Election Day, you may pick up your Vote by Mail ballot in person at the Supervisor of Elections office, located at 2509 E. Irlo Bronson Memorial Highway, Kissimmee, FL 34744.

In order for your ballot to be counted, you must sign the Voter's Certificate on the return envelope. Failure to include your signature means your ballot may not be counted. It is important that your signature on the Voter's Certificate matches the signature on your voter record. To update your signature on file, you will need to complete a new voter registration application. You may obtain an application on our website at www.voteosceola.com or by calling our office at 407.742.6000.

To return a vote by mail ballot:

Once you have completed your Vote by Mail ballot, it can be returned by mail, in person at the Supervisor of Elections office, or to a drop box . Vote by Mail drop off boxes are located at all Early Voting locations. It may not be returned to a polling location on Election Day. Be aware that postage on your envelope is prepaid so you will not need to include postage.

Election Facts

Voting at the polls:

Polling locations are open on Election Day from 7:00 AM to 7:00 PM. Anyone in line at 7:00 PM is entitled to vote. Photo and signature Identification is required to vote at the polls. If you are unable to provide identification, you may vote a provisional ballot.

A sample ballot will be mailed to you, prior to the election, listing your precinct and voting location. You may also obtain this information by visiting our website www.voteosceola.com or by calling our office at (407) 742-6000. You may mark and take your sample ballot with you when you vote.

Party Affiliation and Primary Elections:

You may register in a political party or with no party affiliation. Registration as a Democrat or a Republican entitles you to vote in that party's primary elections as well as in non-partisan and general elections. Florida is a closed primary state, which means that a qualified elector is ONLY entitled to vote the official primary election ballot of the political party in which the voter is registered. The ballot issued to the voter will only show the candidates of the voter's political party. If you register with no party affiliation, you may vote in non-partisan races and general elections, but not in the Democratic or Republican Primaries.

If a candidate in a primary election faces no opposition in the general election, that race will be open to all voters regardless of party affiliation. Judges, School Board Members, City Commissioners and Mayors are decided in non-partisan elections, as are all ballot issues. In general elections you may vote for the candidate of your choice regardless of party affiliation. Also, you may vote in the general election even if you did not vote in the primary elections.

Early Voting:

Early voting begins up to two weeks prior to Election Day. If you choose to vote early you will cast your vote in the same manner as at the polls on Election Day. There are multiple early voting sites throughout the county. Please check our website www.voteosceola.com or call our office at (407) 742-6000 to find the most convenient site for you. Photo and signature identification are required to vote. You may vote a provisional ballot if you are unable to provide proper identification.
